

Published Works of Allan H. Meltzer

This bibliography presents the published works authored, coauthored, edited, or coedited by Allan Meltzer. The publications are grouped by type and, within these groups, are arranged in order of publication year. While every attempt has been made to render this list as complete as possible, omissions surely remain given Meltzer's prolific energies. Testimony, conference proceedings, committee reports, speeches and keynote addresses, memoranda, and unpublished papers have been excluded from this list.

The Carnegie Mellon University library maintains the largest archive of Meltzer's published and unpublished work.
